

## KS2 Curriculum Overview

**Year Group: 6**

**Term: Autumn 2**

<b>Topic: Ancient Egypt</b>	
<b>Art</b>	The children will explore Ancient Egyptian paintings and use an artistic vocabulary to discuss these paintings; they will also make a piece of Ancient Egyptian portraiture using a range of resources and sketches of Egyptian amulets using a range of tones.
<b>Science</b>	Associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches. Use recognised symbols when representing a simple circuit in a diagram.
<b>Computing</b>	The children will use technology safely, respectfully and responsibly. They will research and create definitions for the vocabulary associated with AI and study various types of AI. They will create an online AI system using scratch.
<b>English</b>	Non-Chronological Report Writing and Recount Writing ~ Explore and analyse the features of these texts. Use this knowledge to draft and write texts. Write a report on the discovery of Tutankhamun's tomb. Using the text A Christmas Carol, write a recount as Scrooge exploring his thoughts and feelings about the season of Christmas and the visits of Marley's Ghost. Grammar and Punctuation: Use dashes, semi-colons and colons within sentences. Begin to use the passive voice within pieces of writing; explore tense and clause structures and the effect these have.
<b>Geography</b>	The children will locate Egypt on a world map, explore a variety of maps: terrain, geographical features and natural resources; explain how the land of Ancient Egypt was used and why the River Nile was important to the Egyptians.
<b>Design and Technology</b>	The children will create a steady hand game – they will describe the purpose and indicate the design features of their product; use annotated sketches to explain their designs and evaluating their work by saying how it can be improved. They will also include an electrical element into their product.
<b>History</b>	The children will timeline events in Egyptian history and explain the importance of these events. Discuss the significance of Ancient Egyptian landmarks. They will also identify the key steps in the mummification process and the importance of some of the Ancient Egyptian Gods and Goddesses.
<b>Music</b>	The children will use musical vocabulary to talk about a piece of music and make comparisons between pieces of music. They will also listen to a wide range of live and recorded music from different styles, genres and traditions from a variety of composers and musicians.
<b>Maths</b>	Factors, Multiples and Prime Numbers: The children will explore the links between factors, multiples and prime numbers. Decimals: The children will read and write decimals and divide and multiply decimals using their multiplication knowledge. Next, they will write fractions and decimals and multiply and divide decimals by a 2 digit whole number.
<b>PE</b>	Gymnastics: Children will practise and perform a range of motions and motifs within a gymnastics sequence. They will develop their skills of mirroring and undertake a range of motions such as handstands, etc. Swimming: In small groups, children will aim to develop their swimming skills and swim certain distances. Practise a range of stroke techniques and develop confidence with swimming in deeper water.
<b>RE</b>	The Followers of Christ and Advent: Explore the structure of the Bible and the events that happened during these times. Know why these events are important and what they mean for us. Explore the call of the Apostles, in particular Matthew, and how we are all called to be disciples of God. Gospel Virtues: Intentional and Prophetic ~ How can we use the resources of the Earth? How does our conscience guide us? What example can we set others?
<b>Spanish</b>	Spanish Writing: Explore the use of verbs within the Spanish language. Learn vocabulary and write sentences in Spanish. Learn about sports and hobbies.
