Dear Parents,

I felt it was important to write to you about what our school's response has been to the Coronavirus outbreak. ***Firstly, it is important to stress that school is open and will remain open until the advice from central government changes.*** In school, we have been reminding the children about the importance of hand washing and coughing/sneezing into a tissue. If your child however presents with any of the common symptoms of the virus i.e. a dry cough and a high temperature please keep them at home.

I have decided to postpone parents evenings until after the Easter break and any assemblies/clubs we had planned will also be rearranged. Doing this will avoid a large number of people gathering in a small space as per the advice. This situation is a very fluid one and events may determine that things may change on a day-to-day basis. If the advice we receive changes at any time in the future this will be relayed to you immediately.

Many thanks for your support and cooperation with these matters.

M Aldred. Head teacher.
