EQUALITY AND DIVERSITY POLICY

This policy has been written to meet the school's statutory duty under the Race Relations Amendment Act 2000. General and specific duties are required as follows:

The general duty requires us to have due regard to the need to:

- . eliminate racial discrimination
- . promote equality of opportunity
- . promote good relations between people of different racial groups.

The specific duty requires us to:

- . prepare a written policy on racial equality
- . assess the impact of our policies, including this policy, on pupils, staff and parents, of different racial groups, including, in particular, the impact on attainment levels of these pupils
- . monitor the operation of our policies through the impact they have on such pupils, staff and parents, with particular reference to their impact on the attainment levels of such pupils

1. School Context

At St Margaret Marys in accordance with our faith we believe that all people created are equal in the eyes of God therefore all people regardless of colour, culture, disability, gender, race or creed will be treated as such.

As stated in our Mission Statement our school values the God given uniqueness of all our children and staff. We are committed to giving all our children every opportunity to achieve the highest standards. Within this ethos of achievement, we do not tolerate bullying or harassment of any kind. This policy helps to ensure that this school promotes the individuality of all our children and staff, irrespective of ethnicity, attainment, age, disability, gender or background. We aim to reflect the multi-ethnic nature of our society and ensure that the education we offer fosters positive attitudes to all people.

This policy reflects the general and specific duties on schools as detailed in the Race Relations Act 1976 and as amended by the Race Relations Amendment Act 2000. This policy should be read in conjunction with other related school policies such as Behaviour, Inclusion and Special Educational Needs.

2. Policy, Leadership and Management

This policy has been agreed by teachers, support staff and members of the governing body.

The Head teacher and the Governing body are responsible for ensuring that the policy is communicated, implemented and monitored.

The school aims statement includes a commitment to the promotion of equality of opportunity, tackling racial discrimination and promoting good race relations.

All staff members are responsible for dealing with racist incidents, being able to recognise and tackle any form of racial bias and stereotyping, and refer incidents to the Head teacher or Deputy Head Teacher where appropriate.

The school will follow the Birmingham LA Guidelines in dealing with incidents of racial harassment.

Any incident of racial harassment is unacceptable in our school. Incidents could take the form of physical assault, verbal abuse, damage to a pupil's property or lack of cooperation in a lesson, due to the ethnicity of a pupil. Any adult witnessing an incident or being informed about an incident must follow these agreed procedures:

- . stop the incident and comfort the pupil who is the victim;
- . reprimand the aggressor and inform the victim what action has been taken;
- . if the incident is witnessed by other pupils, tell them why it is wrong;
- . report the incident to the Head teacher or Deputy Head teacher and inform him/her of the action taken
- . inform the class teacher(s) of both the victim and the aggressor, then record what happened in the incident book;
- . inform both sets of parents, if appropriate.

All racist incidents will be recorded and be reported to the Head teacher who will termly inform the Governing body.

3. Curriculum, Teaching and Assessment

The diversity of our society is addressed through our schemes of work that reflect the programmes of study of the National Curriculum. Teachers are flexible in their planning and offer appropriate challenges to all pupils, regardless of ethnicity.

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, teaching and learning will:

. ensuring pupils and staff are confident to challenge any incidents of racist behaviour.

7. Parents, Governors and Community Partnership

We have a rolling programme of policy review. When policies are reviewed in future, governors will ensure that due regard is given to the promotion of racial equality within each policy.

All parents have the opportunity to discuss the progress of their children at parent/teacher discussion evenings. Parents are also welcome to make an appointment at any other time during the term if they have concerns.

8. Monitoring and Evaluation

We make regular assessments of pupils' learning and use this information to track pupils' progress as they move through the school. As part of this process, we monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary. Resources are available to support groups of pupils where information gathered indicates that progress is not as good as it should be. The Governing body receives regular updates on pupil performance information.

School performance information is compared to national data and LA data, to ensure that pupils are making appropriate progress when compared with all schools, and with schools in similar circumstances.

Parents receive questionnaires about the school and this will include some questions about the success of our policies in promoting their involvement in their children's learning.

Our monitoring activities enable us to identify any differences in pupil performance. This allows us to take appropriate action to meet the needs of specific groups and to set targets in order to make the necessary improvements.

9. Staffing – Recruitment, Training and Professional Development

The school is required to supply the LA with employment data related to racial groups employed within the school.

SMM School is committed to attracting and developing a workforce on a basis of merit. The recruitment process will be monitored to ensure that there is no ethnic bias. Professional development opportunities are offered to all staff.

The school will ensure that staff and governors are provided with sufficient training to carry out their statutory duties.
